Location

This school will be held at Saas Fee, a beautiful village located at 1800 meters in Valais and surrounded by a fantastic chain of mountains culminating above 4000 meters. This village has the particularity of having no car traffic. A large parking is available at the entry of the village, but the daily price is such that we strongly recommend that the participants use public transportation. The easiest way to reach Saas-Fee is to take the train to Visp or Brig and then to catch a postal bus to Saas Fee in front of the Visp or Brig train station.
