# Summer internships 2022 in Physics

**Are you a 3<sup>rd</sup> or 4<sup>th</sup> grade student in Physics ?**

Take the unique opportunity to work for a month in one of the top research teams affiliated to the **MaNEP** Network.

**MaNEP** Switzerland is a network federating scientists, researchers and students working in Swiss universities, institutes of technology, engineering high schools or industry, and interested in novel quantum matter and devices.

## **Interested ?**

Visit [www.manep.ch/education/summer-internships/](http://www.manep.ch/education/summer-internships/) and contact the **MaNEP** project leaders in the network you are interested to work with.

**Applications must be submitted by June 1<sup>st</sup> 2022.**

Financial support will be allocated to the selected candidates.

Internships will take place between July and September.
